

Child Nurture and Relief Kashmir

Dear Friends All, far and wide,

Here I am again, addressing, all our Benefactors, Stake-holders and co-travelers, in this endeavor of CHINAR Kashmir (CK), working with you and more importantly, with all your help and support, for the last more than 18 years.

This is primarily to thank you, not only for your valuable and precious support all-along these years, but more importantly, for your hand-holding and guidance for improvement wherever needed. For us in the CK Organization, that has been invaluable. A million thanks for all that. And your complete Trust in CHINAR Kashmir and its work has been another Pillar of our strength, without which we could not have made any progress, in-spite of the best intentions. At our end, we have continued trying to make significant impact in the lives of marginalized people, by helping poor students to excel in their education, by providing relief in terms of food and money wherever needed, by providing a home for the Orphaned and Destitute children, by improving living conditions of such children wherever possible for and by helping young and needy women to get trained in professional-skills needed for uplifting their lives. The attached Brochure gives a Bird's-eye view of all these Programmes and the progress made therein. Thanks again for making it possible for us, to come this far.

Of course, there is much more to do. With the Grace of GOD, your continued Benevolence and the Blessings of the impending, holy month of Ramadhan, we shall carry-on (on this path), hoping and praying that we continue making a difference, in the lives of people, especially children and women, who deserve the best, all the while holding-on to our Core-Values of Transparency and Honesty.

May Allah bless you All and your Families.

Thanking you
