CHILD NURTURE AND RELIEF KASHMIR

DONATION APPEAL FOR RAMADHAN 2024

As the blessed month of Ramadhan approaches, I am reaching out to express gratitude to all our benefactors and well-wishers who have provided support for us in the noble mission of **CHINAR Kashmir (CK)**. It has been over 20 years of journeying together, and I am deeply thankful for your unwavering support. Your support has been the cornerstone of our progress.

Your contributions have been invaluable, not only in terms of donations but your enduring assistance and invaluable guidance over the years has been instrumental in our growth. Your trust in **CHINAR Kashmir** and its endeavours has served as a pillar of strength without which our strides would have been impossible, despite our best efforts.

At **CK**, we remain committed in making a meaningful impact on the lives of the marginalized. Whether it's providing a nurturing environment for orphaned and destitute children, supporting underprivileged students to excel in education, empowering young women with vocational skills, or offering relief in the form of food and financial help, our endeavours are aimed to uplift those in need.

The brochure link below provides an overview of our programs and the progress achieved thus far. Kindly read this and offer any comments/suggestions you may think will help us improve our programmes.

On behalf of CHINAR Kashmir, I once again extend our heartfelt gratitude, to all those who have enabled us to reach this point. Every contribution, no matter how small, brings us closer to our goal.

Your generosity is a beacon of hope for those in need and has the power to transform and make a difference in the lives of those in need.

“May Allah (SWT) bless you abundantly in this blessed month and beyond.”

*Thanking you
